A MESSAGE FROM OUR FOUNDERS:

Chase Magnano

Thank you so much for supporting another year of JaxTHRIVE. While this year ended shorter than we had hoped, we were able to develop unprecedented ways to expand the impact of JaxTHRIVE and support our refugee population. Our newly developed Leadership Council, consisting of some of our most committed volunteers, will ensure that JaxTHRIVE will continue at full force next year after I leave for college. I am excited to be attending Princeton University in the fall and hope to use what I've learned for the betterment of the refugee community.

Grace Freedman

Co-Founding JaxTHRIVE played an integral part in who I am as a person today. I want to thank everyone for their support and belief in JaxTHRIVE over the last three years. I am grateful to Chase and our many dedicated volunteers for continuing our efforts while I began my first year at Yale University. During my first semester, I was involved in the Yale Prison Project and through that helped found the Justice Impact Movement, JIM. A student-led movement dedicated to making justice-impacted individuals a protected class in college admissions. Like JaxTHRIVE, we believe education is key in breaking the cycle of inequality.
